how to purchase something on www.hamiltonhsa.com?

Once at www.hamiltonhsa.com you scroll down the web page to the actual **date of the activity**. Once you find the activity, **there will be a link to make the purchase**; it will look like this:

or

GET STARTED →

[Click here to get started with Casino Night.](#)

Click on the **shopping cart icon** or the **get started icon**. This will bring you to a **new page** where you will enter your information for purchase.
